

WE EXIST TO MAKE
MALARIA NO MORE

ABOUT MALARIA NO MORE UK

Malaria has been described as the oldest killer disease in history; even now, despite recent progress, it claims the life of a child every two minutes.

Malaria No More UK is part of a global movement that is determined to make this the generation that beats this killer.

To realise this vision, we need to mobilise governments, influencers, businesses and the public, inspiring them to commit funds, energy and resources to ending deaths from malaria and wiping out the disease for good.

FUNDRAISING INTERN

LOCATION: Vauxhall, London SE11 minimum 2 days per week/rest working from home

CONTRACT: FIXED TERM 6 MONTHS

HOURS: PART TIME 3 DAYS (21 hours) PER WEEK

SALARY: £10.85 PER HOUR

REPORTS TO: SENIOR MANAGER, PROGRAMMES & PARTNERSHIPS

ROLE SUMMARY

We need your help to assist in raising the funds that allow Malaria No More UK to deliver its vital work - helping accelerate the end of the world's oldest and deadliest disease. We're looking to find new partners to work with and receive funding from as we seek to grow our organisation and the impact we can have.

If you're looking for a chance to kick-start your career in the charity sector whilst contributing to an ambitious, passionate organisation with a bold mission that gets things done, then this opportunity is for you. You will be working directly with our small Philanthropy and Partnerships team of five, undertaking a varied range of tasks including research, writing, communicating with supporters, producing materials and providing administrative support where needed.

What you can gain from the role:

- You will gain an insight into the work of an ambitious, high impact global health advocacy organisation, and specific experience in charity fundraising and partnerships with a focus on institutional funding and corporate partnerships
- A chance to develop your research, writing and workplace skills including use of Salesforce.
- The opportunity to play a role in the global movement to help end malaria deaths.

KEY DUTIES & RESPONSIBILITIES

These will vary according to the needs of the team but are likely to include:

- Researching potential partners, supporters and opportunities using information gathered through desk-based research and telephone enquiries.
- Analysing and providing insight to qualify potential funding partners, through discussion with team members and desk-based research.
- Where necessary, helping to prepare reports and/or proposal documents for funders and partners.
- Supporting the team in building and tracking progress of a pipeline of funding approaches.
- Offering general administrative support to the Philanthropy and Partnerships team, including data entry and helping with correspondence.

PERSON SPECIFICATION – What skills will you have?

- You will be comfortable paying close attention to detail and will have accurate data entry skills – experience using a contact database (particularly Salesforce) would be of benefit although training will be provided.
- Strong communication and interpersonal skills; being able to articulate clearly on the phone and face to face as well as in writing.
- You will enjoy and have experience with conducting quality research using a range of different sources of information and thinking laterally about possible opportunities for Malaria No More UK.
- You must know how to use Microsoft Office programmes, in particular Word and Excel. PowerPoint would also be a particular advantage.

What type of person will you be?

- Detail-oriented and comfortable with processes, quick to spot mistakes in both written work and spreadsheets.
- Well organised and reliable with a willingness to “muck-in”.
- Capacity to deal with sometimes unstructured and unpredictable environments.
- Enthusiastic about our mission and about your future in international development or a possible career in fundraising.
- A lived malaria experience is a plus

MNMUK recognises the value of a team in which people from diverse backgrounds are able to introduce fresh ideas and contribute to delivering our mission to make Malaria No More. Candidates from historically marginalised or underrepresented backgrounds are encouraged to apply.

This job description is a statement of requirements at the time of writing and is not contractual or exhaustive. It should not be seen as precluding future changes after appointment to this role. It may be amended over time in consultation with the Head of Philanthropy & Partnerships

- Staff benefits include:
- 10% employer pension contributions
- 28 days' annual leave plus 8 bank holiday days (pro rata)
- Continuing personal development opportunities

If this sounds like a role you are driven to take on, we would like to hear from you.

To apply, please send your CV and a covering statement detailing how you fit the role and why you want to work for us to:
